

**2014 TOPOGRAPHY  
RED WINE  
NAPA VALLEY**

VARIETAL %'S: 62% Merlot • 20% Malbec • 10% Petit Verdot • 8% Syrah

WINE CHEMISTRY: pH 3.70      TA 5.6 g/L      Alc 13.8%

HARVEST NOTES: The 2014 growing season was marked by kind weather, a few curveballs and an abundant crop. The winter was one of the driest on record, but heavy rains before bud break gave the vines a well timed drink. The dry winter produced berries smaller in size, but more concentrated with flavors, and an earlier than normal harvest showed immediate promise of high quality.

VINEYARD: Haymaker - An eastern-facing mountain vineyard, located in a frost free zone between the valley floor and mountain top with ancient marine sedimentary soils.  
  
Triere – Our valley floor Oak Knoll district vineyard is located at 100' elevation with soils that consist of Cortina stony loam coupled with Yolo clay loam that provide excellent drainage.

WINE DESCRIPTION: Bright red fruit, cherry, raspberry, floral, bramble and tea leaf, cherry cola, hint of vanilla, great flavors and well balanced acidity. A classy and quafable wine with valley suppleness and a mountain core.
