

**2013 RESERVE
CABERNET SAUVIGNON**
ESTATE VINEYARDS, NAPA VALLEY

VARIETAL %'S: 85% Cabernet Sauvignon • 10% Petit Verdot • 5% Malbec

WINE CHEMISTRY: pH 3.84 TA 5.9 g/L Alc 15.6%

HARVEST NOTES: The 2013 growing season was early, even, and excellent! The early bud break and consistently moderate temperatures throughout spring and summer resulted in exceptional vine health and optimal ripening. We were able to take our time planning vineyard picks to ensure the highest quality fruit with complex flavors and refined phenolic profiles.

VINEYARDS: Estate - located at the winery, faces west from the side of Howell Mountain and has a slope averaging 22%. The soil is composed of "Tuff" a volcanic ash, allowing the vineyard to drain very well.

Haymaker - An eastern-facing mountain vineyard, located in a frost free zone between the valley floor and mountain top with ancient marine sedimentary soils.

WINE DESCRIPTION: Through our barrel program we identify a select few barrels that exhibit extreme complexity and richness. Our Cabernet Sauvignon is black, inky color with delicate aromas of cherry, tar, cedar, blackberry pie, toast, vanilla, currant, char, and peppercorn. Rich, juicy, huge structure that "won't frighten the horses" of cherry, blackberry, cassis, coffee, vanilla, dark and milk chocolate. Long, rich, spicy finish.

CASES PRODUCED	RELEASE DATE	SUGGESTED RETAIL
