

## 2014 PETIT VERDOT HAYMAKER VINEYARD, NAPA VALLEY

---

### VARIETAL %

100% Petit Verdot

### WINE CHEMISTRY

pH 3.75 TA 5.2 g/L Alc 13.9%

### HARVEST NOTES

The 2014 growing season was marked by kind weather, a few curveballs and an abundant crop. The winter was one of the driest on record, but heavy rains before bud break gave the vines a well timed drink. The dry winter produced berries smaller in size, but more concentrated with flavors, and an earlier than normal harvest showed immediate promise of high quality.

### VINEYARDS

**Haymaker** - An eastern-facing Howell Mountain vineyard, located in a frost free zone between the valley floor and mountain top with ancient marine sedimentary soils.

### WINE DESCRIPTION

Very floral aromas accompanied by dense black fruit and blueberries. Juicy and lush on the palate with bold acidity.

CASES PRODUCED 122
