

## 2014 SYRAH

### HAYMAKER VINEYARD, NAPA VALLEY

---

**VARIETAL %**  
100% Syrah

**WINE CHEMISTRY**  
pH 3.87 TA 6.5 g/L Alc 14.5%

#### HARVEST NOTES

The 2014 growing season was marked by kind weather, a few curveballs and an abundant crop. The winter was one of the driest on record, but heavy rains before bud break gave the vines a well timed drink. The dry winter produced berries smaller in size, but more concentrated with flavors, and an earlier than normal harvest showed immediate promise of high quality.

#### VINEYARDS

*Haymaker* - An eastern-facing mountain vineyard, located in a frost free zone between the valley floor and mountain top with ancient marine sedimentary soils.

#### WINE DESCRIPTION

Deep blueberry and boysenberry with strawberry jam and white pepper aromas. Floral, savory herbs start the silky yet lively palate with blueberry, milk chocolate, dark chocolate and vanilla. Supple and juicy on the finish with essence of black plum and a white pepper kick.

**CASES PRODUCED** 245
