HARVEST NOTES

The 2014 growing season was marked by kind weather, a few curveballs and an abundant crop. Combining mountain character and valley suppleness, this is a dynamic and authentic wine. Topography matters. Style matters. This wine is crafted to enjoy immediately on its own or with food.

VINEYARDS

Haymaker - An eastern-facing Howell Mountain vineyard, located in a frost free zone between the valley floor and mountain top with ancient marine sedimentary soils.

Triere - Our valley floor Oak Knoll district vineyard is located at 100' elevation with soils that consist of Cortina stony loam coupled with Yolo clay loam that provide excellent drainage.

WINE DESCRIPTION

Notes of bay leaf, dried cranberries, cassis and deep dark berries with a touch of spice on the nose. It flows over the palate - plush, velvety, with more dark berries, granite and tobacco. Wraps up with a smooth finish of coffee, clove and a touch of tart cherry.
